Website Design UI Workflow

1. On the landing page, we'll have three funnel buttons, the Get Started button in the header and the two pricing options which will be in the Pricing area. That would take them to a page to either login or sign up and pay.

2. Once they've logged in, they'll be at the Dashboard page. The data in the two top boxes would be pulled from the app database.

Active Cases — Add New Case

CASE NAME	PAYOFF AMOUNT
Smith v. Jones	$173,455.26
Johnson v. Acrne Corp.	$280,004.85
DC Group LLC v. Paramount	$2,445,500.13
